Baggage Storage:

There will be supervised baggage drop area at the event. This is free to use but please note that we cannot take any responsibility for loss of items or possessions, so please refrain from storing valuables in this area. Please tear off the baggage tag from the race number and attach to your bag before setting off for the race.

Toilets:

A number of toilets are available at the event (although expect some queues at these!)

Medical Team:

We will have The Medical Despatch Team in attendance and we will have Medical Cyclists cycling with the runners to enhance response time in case of injury. If you need assistance during the run please alert the Marshals en-route who will be able to communicate back to the Medics.

Start:

The start of the race is 09:30 - Competitors should allow time for Parking, collecting race numbers, using the toilets, and dropping of baggage. There will also be a warm up scheduled 10 minutes before the start. Runners will then be called to the start line according to their predicted race time.

Chip Timing & Race Number / Timing Chip Collection:

The race is Chip Timed with the use of the latest technology to allow for accurate measurement of race finishing times. The Timing Chips are to be placed on your shoe. All runners are required to collect their race number and Timing Chip from the Race Collections desks situated next to the start line. Please go to the queue with your surname.

Please note the desk opens from 07:30 and closes at 09:15

Runners need to make sure they cross over the Chip Timing mat at the start of the race and NOT side step the mat otherwise you will not get a recorded finish time!
